INSPECTION PROCEDURE

All sheep **must** be presented for inspection. Any sheep that are rejected by the Inspectors must be removed from the market. All sheep must be marked with their lot number or ticket prior to inspection. The inspectors will consider the points below and are empowered either to disbar the animal from the sale or alternatively any faults found by the inspectors shall be declared by the auctioneer, who shall announce these at the time of sale. The inspector's decision shall be final.

1. The lot number must correspond with the ear tag number as entered for sale.
2. The animal is not suffering from any infectious or contagious disease.
3. All rams must have two adequately sized testicles of the same size and normal consistency.
4. Ewes shall be sound in udder.
5. The teeth of the animal shall be on the plate and in the correct position. Account shall be taken of the age of the animal, however all lambs must have correct mouths.
6. There is no abnormal deviation in the structure of the feet and/or legs.
